DYERSBURG WINS

Fast Semipro Team Rallies in Last Round and Scores Five Tallies for 6 to 4 Victory Over Locals.

BY BOB PIGUE.

The fast Dyersburg semipro base-ball club, which has hung up the remarkable record of 48 victories out of 54 starts this season, added another win to their string at Russ-wood park Sunday afternoon when they trimmed a club of all-stars gotten together by Billy Haakk, lo-cal promoter. The final score was 6 to 4.

6 to 4.

A thrilling ninth-inning rally in which the Dyersburgians scored five runs won the game for the visitors. The Dyersburg club went into the last frame with the score standing 4 to 1 against them. Ray Colbert had been pitching shutout ball, but weakened as the ninth started, when he was combed for four hits, two of which were home runs into the left field bleachers.

Thompson Prothro, a former Memphis boy, now residing in Dyersburg and playing the shortfield for Dyersburg was there in the pinch Sunday. Hur opened the last round with a single to right, a Texas leaguer. Prothro then hit a home run into the left field crowd, scoring Hurt ahead of him. White next up, was thrown out by Claypool. Block hit a hopper to Classell, who hurled the pill to Wade, who dropped the ball arter Umpire Haack had siready called Block out. Chapman hatted for Griffin and singled to left, Block holding, second. Bud Mercer then crashed out a home run into the left field stands, scoring Block and Chapman ahead of him. Mitch lifted to Handwerker and Quellmaiz fanned. In the last haif of the ninth for Memphis, Belote walked as a starter. Colbert batted for himself and fanned. Hayes was tossed out by Mitch and Claypool ended the game by driving to Bougeno, who made a neat running catch of the ball.

The Dyersburgians took the lead by scoring one run in the second inning. Block singled and while Griffin was at bat, George took too big a lead off first and was pleked off by a quick throw by Cohert. Griffin walked and Mercer followed with a single, Griffin reaching second. Mitch singled through the box and Griffin scored with the first run of the game. Quellmaiz was tossed out by Belote to end the inning.

ALL-STARS GET FOUR.

The All-Stars were helpless against Mitch until the sixth. Only one hit, a single by Claypool in the first inning, had been secured off the Dyorsburg pitcher until the sixth started. And then the balloon went up.

Belote opened the pot with a one-ply crash to right. Colbert bunted, and beat it to first. Hayes bunted both runners up a satchel. Claypool came through with a rap through Prothro that scored Belote, Colbert stopping at third. Stewart hit a hopper over Mitch's head and Griffin took the ball, heaving it against the stands in an effort to catch Colbert at the plate, Colbert easily scored and Stewart radached second. Handwerker hit to Hurt, who forced Claypool at third. Cissel then doubled to center, scoring Stewart and Handwerker. Marshall batted for Lawhorn and ingloriously

In the first inning Dyersburg had two runners extinguished at the plate. With one gone, Hurt hoisted to Handwerker, who muffed the ball. Prothro singled to right. White hit to Claypool, who threw Hurt out at the plate trying to score. Prothro reached third on the play. The double steal was attempted with Prothro on third and White on first. Stewart shot the ball to Coibert, who returned it to the plate in time to get Prothro tanding up.

Itay Colbert pifehed a fine game against the visitors, but was unable to keep going through the last round.
The victory was a clean-cut one for Eversburg, and coined by clean hits—tog that has the wood back of them.

The two running catches of Bougeno in left field were the fielding features. Prothro was also in the calcium in fielding, accepting several hard chances.

Two overheated speciators tried to muss up each other's countenances in the first inning and were shown the exit sign by bluecass.

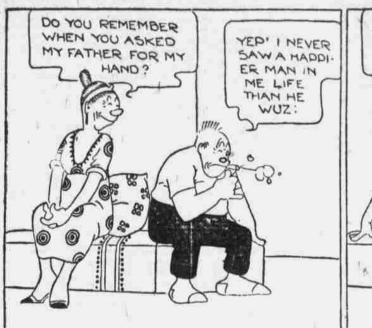

More pep was exhibited at Russwood Sunday than has been shown in a joing time. Everybody was happy and in a good humor It was an eld-fashioned ball game, and everybody enjoyed it. All it lacked of being complets was the barbecue and barrel of lemonade.

Here's hoping Dyersburg comes again. They're a clean bunch of ports and played dean hall, winning on their merits. They've got a good hall club, and one that appears as strong as any semapro organization in this section of the country.

Abe Kabakoff, the Memphis lightweight, is being sent against stiff opposition Monday night when he faces Arios Fanning, of Bartiesville, Okla. In an eight-round match at the Southern A. C. Fanning is well known to Memphis fans for his sturdiness, gameness, toughness and willingness to trade punches. Kabakof is of the same variety and as a result fight fans are predicting one of the live liest engagements of the year when they come together.

The Bruins gave the Chicks an awful scare in the ninth by scoring four runs and tying the count, but in the hoodoo 13th the Tribe came along and counted thrice, which was sufficient to cop the decision.

For the second game of the series, Manager Lewis will likely send in Dazzy Vance. The red-head should be able to trim the claws of the Bears without any great amount of difficulty.

RACE TIGHTENS.

The race in the Southern league is beginning to tighten. The league-leading Little Rock Travelers have been facing the other three first division clubs and have found the picking hard. The Travelers are to return to Little Rock in a few days, where they will entertain. Birmingham, New Orleans and Atlanta. In this series the mettle of the Travelers will be tested, and if the Little Rockers can come out of their mixups with the Crackers. Barons and Pels still leading the league, they will have an excellent chance of copping the gonfalon.

Kid Elberfeld, Little Rock manager, said while here recently that his hurling staff was crippled due to the absence of Yellowhorse, his Indian pitcher. However, the sborigine has returned to the club, and with Robinson, Hengeveld, Jonnard and Yellowhorse going good, there is no reason way the Travelers shouldn't be able to stand the gaff.

The Atlanta Crackers, in our opinion, lobk like the best bet in the Southern league right now to win this year's pennant.

The Crackers have just started on a drive for the initial rung in the pennant ladder, and it is a well known fact that they are great finishers. Dick Kauffman has his ball club hustling in every game, and they are confidently figuring on beating out the Pels and Travelers.

catcher.

There's not a doubt in the world that Hodge is of major league fiber, and he is sure to win a berth. Hodge has been pitching winning ball for a weak-hitting team like the Volunteers, and with a team like the White Sox, who slam the horsehide to various and sundry corners of the lot, he should be a winner.

If Cincinnati can repeat in the Na-tional and the Cleveland Indians can come through in the American, Ohio's cup of joy will run over. For then they will be assured of two big fights between Ohioans, for Senator Harding and Gov. Cox are squaring off for action.

ABOUT MANAGERS.

fan drops a line to ask what ciubs A fan drops a line to ask what clubs in the Southern league are going to change managers next season. It would be a violation of confidence at this stage of the season to give out information about probable changes and for a time only the fact that ther will be at least two changes in the Southern can be published. In due time it will all come out in the wash.

Johnny Dobbs, of New Orleans, is said to be figuring on quitting base-ball and going to his farm in Chattanooga, where he will become a farmer. Pat Flaberty, now scouring for Cleveland, is said to be slated to succeed him.

This is denied by New Orleans club owners.

Another report is that Kid Elberfeld, at present manager of the Little Rock Travelers, is going to become manager of the St. Louis Browns next season, succeeding Jimmy Burks, and that John McCloskey will succeed the Kid in Little Rock.

But this is only a rumor, although it has been a persistent one for several weeks.

ABOUT JACK LEWIS.

Jack Lawis, at present manager of the Chicks, has a contract that only calls for the remainder of the season as manager of the Chicks. He has not vet signed a contract for 1921 either as a player or as a manager. It is taken for granted that Lewis will be relatived as manager for next season, for he is topular in Memphis and it is believed that he has the man agerial goods.
